Information for the Parents (I-II BS & GS)

Dear Parents,

During this time of social distancing we want to ensure that each of our students continue to have access to high-quality curriculum and assignments. We plan to deliver instruction through a virtual learning environment and we need your support to ensure the success of our efforts.

How it will be conducted?

- Students will receive study material in all core subjects viz. English, Math, EVS & Hindi as per the timetable.
- Auxiliary subjects (Islamic Studies/Moral science, Arabic,) every fortnight.
- Beginning Tuesday, April 7th, 2020 instructional videos will be uploaded on the school website and Teachers will post relevant supplementing course materials to facilitate students with instructional delivery of content such as annotated notes, PowerPoint presentations and website links.

How can you help?

- Ensure that your child checks the posts on a daily basis & watches the recorded videos.
- Ensure that your child is completing all required assignments in a timely manner and completes the notebook work regularly.
- Encourage your child to reach out to their teacher if they have any questions or concerns or need any extra help.
- Do not post personal queries on group.
- Interact with teachers only between 10:30 AM to 04:00 PM as beyond these timings they will be working on building the e- resources.

Expecting your whole hearted cooperation make the remote-teaching a joyful experience for your kids.
