Date: May 13, 2020

Dear Teachers,

The commencement of the new academic session 2020-21 has taken place in the midst of lockdown forcing all of us to work online and from the confinement of our home. There is no denying the fact about the immense potential in my team the way the lessons are prepared and classes conducted online. Having overcome the initial obstacles, we have slowly become accustomed to the virtual classes and are getting better day by day and my wholehearted appreciation is extended to my entire team.

In order to rejuvenate and keep ourselves motivated in such globally critical situation, a webinar has been arranged for all the teachers (from KG to XII) of IISJ to attend. The session will surely serve as an impetus for us to continue with zeal and enthusiasm which will ultimately benefit our students.

Following are the details of the webinar:

- **Topic:** Time & Stress Management in time of Uncertainty
- **Date & Time:** Saturday, May 16, 2020, from 1.30 PM to 3.30 PM
- **Resource Person:** Mrs. Jyotsna Bharadwaj

Mrs. Jyotsna Bharadwaj is the Founder Director of Envision India Eduservices with over 30 years of experience in the field of education. She has worked as a Principal in two schools of repute before she diversified her work.

She is a member of **AISCAP** - 'Association of Indian School Counselors and Allied Professionals'. She also serves as faculty for International Diploma in Guidance and Counselling course at the Department of Educational Psychology and Foundations of Education, NCERT.

The link will be shared with the teachers through the HMs of the respective blocks. They are requested to ensure the participation of all the teachers reporting to them.
