Subject: Regarding Optimum Utilization of Chapter-wise Video, PPT, Worksheet, Solutions for Class I to XII

Dear Parents,

As has been globally acknowledged and accepted by all the stakeholders, viz., teachers, academicians and students that teaching through virtual mode and use of digital contents are the only solutions to overcome the learning gap created due to indefinite closure of the school in view of the mass outbreak of Covid-19.

While virtual classes being conducted (integrated with Zoom) it is also necessary to enrich your online classes with various videos, PPTs, worksheets coupled with solutions prepared and developed by the experts from NCERT, CBSE and KVs from grade I to XII. There may be a little variation in course structure in some of the subjects from Class I to VIII whereas the syllabus from Class IX to XII are fully aligned with IISJ textbooks.

Students from I to XII are advised to access the digital contents by visiting the following link:
