Ref-No. IISJ/PR/2020-21/14

Date: June 5, 2020

Dear Parents,

The administration and management of IISJ gratefully appreciate your support and cooperation for successfully running academic activities and classes through online and virtual mode due to indefinite closure of school in view of the outbreak of COVID-19.

Keeping in view this rapidly evolving circumstances and an uncertain duration of disruption in Teaching-learning process through physical mode due to present crisis, IIS, Jeddah has planned to conduct Periodic Assessment-1 (PA-1)/Unit Test -1 from grade I -XII using virtual platform as tests and examinations in school system are an important tool to help teachers and pupils to determine how much they have taught and learnt respectively and also because it helps motivate the children to learn more.

There will be a mock test first to make the children familiar with the procedure and then the final test will be conducted as per the date-sheet and guidelines likely to be published block-wise.

We make an earnest request to all our respected parents to cooperate with the school in conducting this virtual school-based test smoothly and successfully. We assure you that no hardship will be faced by your ward and it will be a new and exciting experience for them.
