Advisory to Students (Class X & XII) attending Online Classes

Keeping the larger academic interest of Board class students of X & XII (2020-21) in view, online classes are being conducted by various subject teachers during this period of a complete shutdown of school due to alarming corona effect. These online classes conducted by teachers are being monitored by the school authority. The participating students are advised to behave decently and conduct themselves as expected and desired during virtual classes. Any kind of disregard reported by the teachers against any attendee student will be viewed seriously. The student will be barred from such classes. The school may also issue TC to the erring student on disciplinary ground for not adhering to such instructions.
