Subject: Regarding Periodic Assessment-I and Unit Tests-1 (2020-21) to be conducted through Virtual Mode

Dear Parents,

The school is in receipt of concerns of some parents over conducting of Periodic Assessments-I (PA-I) and Unit Test-1 (UT-1) through virtual mode keeping in view the indefinite closure of school due to the ongoing outbreak of COVID-19.

As we all are aware that use of digital platforms is the only solution for the schools to bridge the learning gap created among children due to indefinite lockdown. IISJ has planned to conduct the said test via online mode as there is no certainty for school to be opened in near future. If some parents face the problem of lack of internet facility and device, such tests are not binding upon their wards. We will plan another alternative solution for such children.

The present COVID crisis has forced us to adopt various alternative sources / resources to run our personal and professional life and conducting online tests and assessments for the school children is also one of such alternatives which will surely provide a new learning opportunity to children and will prepare them for future challenges.
