In order to maintain an orderly, respectful and secure educational environment for the children and the undisruptive working ambience of the school staff, it is essential that all parents and visitors to school be aware of their responsibilities and adhere to the expected code of conduct.

Keeping the above points in view, the parents & visitors who require to meet any of the school officials & teachers have to prove their identity at the entry gate and to surrender their Iqama/Identity Card at the school gate before entering into administrative / academic block of the school building.

This issues with approval of the competent authority.
