MESSAGE

The importance of rigorous practice during examination can never be undermined and overemphasized. International Indian school, Jeddah always tries its best to consolidate all relevant examination-oriented support materials from various reliable sources for the academic benefits of the children, particularly Board class students of X & XII. The present support materials are the product of a series of workshops of a dedicated team of subject experts from *Kendriya Vidyalaya Sangathan (KVS)*, *Navodaya Vidyalaya Samiti (NVS)* and the teachers under Directorate of Education, Govt. of Delhi.

The prime purpose of support material is to provide ample practice to the students for the preparation for Board and annual examinations.

It will facilitate the learners to test their capabilities and level of preparations. The material is aligned with the latest syllabus prepared by the NCERT and implemented by the CBSE for academic session 2020-21 and it covers different levels of difficulties.

I expect all concerned subject teachers to enable and motivate the students to utilize this material during practice sessions and virtual classes under the proper supervision of HMs and VPs.

I also take this opportunity to convey my good wishes to all the students for grant success in their upcoming examinations.

(Dr. Muzafer Hassan)
Principal
