Subject: Increase in School Fee w.e.f September 2019

Dear Parents,

About six months of this academic year have been very successful and to move ever forward, we are already planning and preparing for the next one. I now therefore write to inform you regarding school fee increase w.e.f September 2019 onwards.

Over the past 04 years, International Indian School, Jeddah has not made any hike in its fee structure. We have tried very hard to make IISJ the most affordable Indian School in and around Jeddah.

However, the school made a slight increase in the fee structure

But keeping in view the present financial uncertainty surrounding the school and affecting its operation, the school administration with the approval of the competent authority has made the decision to increase the school fee. Though the approval by MOE was accorded to charge the revised fee w.e.f April 2019 onwards yet it has been decided to collect the revised fee w.e.f September 2019 to ease the parents of financial burden. The revised fee details are as under:

Sl. No.	Class	Amount of Fee Hike	Effective from
1	LKG to V	SAR 60.43 per month	September 2019
2	VI to VIII	SAR 65.43 per month	
3	IX to XII	SAR 70.43 per month	

Should you have any queries in regard to fee increase, please contact the Accountant (Ext. 511) and the Cashier at Fee Counter (Ext. 521) in the Boys' Section.

We assure you that we will strive to uphold the quality of education and facilities being offered to our students under all circumstances.

Thank you for your continued support to the school. We look forward to consolidating our partnership in building the best educational future for your child.

(Dr. Muzaffar Hassan)  
Principal & HOI
