## An open letter of Appreciation to the Teachers and non-teaching staff of IIS, Jeddah

*Dear VPs, HMs & Teachers and Supporting Staff,*

Thank you so much for all the hard work and energy you all put into your job for making the Republic Day celebration 2020 a grand success. The impact of your hard work was so fulfilling and significant, and it all started with the most important person in the background, i.e. you the wonderful IISJ teachers. I am so thankful to my teachers I currently work with. The learning they plan, the environment they create, the friendships they help foster, it's all incredible. I wish the very best for my teachers all the years to come but this week is extra special for those who are the brain-child behind the wonderful performance on this Republic Day celebration.

Those memories are because of you and your dedication.

I am continuously impressed with the amount of time and energy the staff (teachers & non-teaching) at International Indian School, Jeddah put into making sure all students at IISJ are successful! You are an incredibly talented group of Vice-Principals, HMs and teachers who want nothing but the best for our students and families.

I, on behalf of the School Managing Committee, thank you for everything you do each and every day that make IISJ such a "Great Place To Grow!"

*Best wishes,*

  
(Dr. Muzaffar Hassan)  
Principal & HOI
