Sub: Invitation for E-quotation for Fire alarm and Firefighting work

International Indian School Jeddah invites e-quotation for the following Fire Alarm and Firefighting work in the Boys section building.

1. Sprinkler system in the auditorium as per Civil Defense specification.
2. Supply and installation of firefighting pump of 350 GPM capacity. The existing pump of 250 GPM capacity to be removed and installed in the Girls section building.
3. Supply and installation of 12 additional smoke detectors in security room, reception room, fee counter area and conference room.
4. Supply and installation of 2 sounders outside the security rooms.
5. Provide 2 Civil Defense connection.
6. Supply and installation of FM 200 system in the 4 Electrical rooms.
7. Supply and installation of beam detector in the main hall of the auditorium.
8. Repair of 2 emergency exit gates.

Interested firms registered with Civil Defense may visit the site between 11 AM to 4 PM during the working days and submit proposal along with scope of work and specification of the equipment/material to be used for carrying out the above work. The price to carry out each of the above mentioned work should be mentioned separately. The firm, shortlisted to carry out the above work will be responsible to obtain Civil Defense license for the building.

The quotation may be send through email on tenders@iisjed.org latest by 10 June 2020.
