4.3 Guidelines on sale of HFSS foods and non-standardized or proprietary foods in school canteens or in the vicinity of schools by private vendors

Canteens in schools hold a social responsibility towards inculcating healthy eating behavior in children. School canteens should be used to educate children, parents, school staff, and community at large about nutrition and healthy eating habits. They can be used to motivate children to consume healthy and hygienic food. The guidelines include the following:

1. Ban the sale of all HFSS foods in school canteens. Private vendors and street vendors should not to be allowed to sell HFSS Foods during school timings (7 A.M to 4.00 P.M) within vicinity of 200 meters.

The school management must promote healthy, wholesome and nutritious foods with right portion size. The objective is to restrict the consumption of HFSS foods in the school premises, where the child is without parental supervision and in schools and nearby areas within 200 meters, the availability of the most common HFSS foods must be prohibited. Easy access of the standardized processed foods should be restricted and the example of foods to be prohibited in school canteens is given in Table 1.
