Request for Quotation

REF. NO. IISJED/ADMIN/TENDER/2025/2

Date: 13/03/2025

International Indian School –Jeddah invites quotations from reputed and experienced construction companies for the inspection and evaluation of the boys' section building. The scope of work involves an assessment of the existing structure and preparation of a report for the feasibility and requirements for the construction of an additional floor. The tasks to be performed are as follows:

1. **Inspection of the existing building** – A detailed inspection of the boys' section building, including structural evaluation and condition assessment.
2. **Feasibility Report** – Providing a feasibility report regarding the potential to additional floor, including any required modifications, structural reinforcements, and compliance with safety and building codes.
3. **Cost Estimate** – Estimation of the cost involved in adding the second floor, including materials, labor, and other associated costs.

Note:

- Final Quotation may be sent through email: tenders@iisjed.org
- The time to visit the school for inspection is between 10:30 AM to 2:30 PM
- The last date of receipt of quotation through email is March 18, 2025 before 2:00 pm.

The same feasibility report is required for both the G.S & KG building
